July, 2024

Dear Exeter Student and Parent/Guardian:

The student activity fee established by the Exeter Township School District Board of School Directors was created to assist in offsetting some of the costs associated with the implementation of Exeter Township School District's extracurricular programs in Grades 7-12, such as coach/advisor stipends, transportation, and equipment related to extracurricular activities.

For the 2024-2025 school year, the activity fee will remain a one-time fee of \$80 per student for Junior High School students and \$100 per student for Senior High School students. The one-time fee will allow a student to participate in an unlimited number of extracurricular activities during the 2024-2025 school year.

Checks are to be made payable to Exeter Township School District with the student's name, grade, and activity written on the check. Payments may be made online through E-Funds, hand delivered, or mailed (checks only) to the main office of the Junior High School, Senior High School, or the Senior High School Athletic Office. A receipt will be provided for all cash payments. The activity fee must be paid during the first two weeks of the activity and is non-refundable. Failure to pay the activity fee in the first two weeks will deem the student ineligible to participate in the activity until payment is made. A list of extracurricular activities can be found on the District webpage at www.exetersd.org.

Exeter Township School District believes in the benefit of extracurricular activities for any and all students interested. As such, we encourage student participation and do not want anything, financial hardship or otherwise, to impact a student's ability to participate. If you have any questions regarding the activity fee and payment process, please contact the Junior High School office at (610) 779-3320, the Senior High School office at (610) 779-3060, or the Athletic Department in the Senior High School at (610) 779-7949.

Sincerely,

Brian D Feick
